UNWELCOME GUESTS

Catarrh comes unbidden and resists our efforts to eject it. It never comes alone; it brings neuralgia or nervousness; it may attack in several places at once. Lots of people have catarrh in the head, bronchitis, indigestion and kidney disease, and it is all catarrh.

When catarrh is understood it must be plain that no local treatment can reach it. Catarrh is systemic; it must be plucked out by the roots. The same remedy will cure catarrh wherever it is located if it will cure it anywhere.

Per-una has a spotless record as a cure for all catarrhal troubles. It has cured many thousands during its forty years of use by Dr. Hartman. Read this letter from W. O. Slessor, Reinbeck, Ia.:

Per-una Medicine Co., Columbus, O.
DEAR SIR:—"I have used your Per-una for catarrh and neuralgia not over six weeks, and find it to do even more than you claim for it. I have used sprays of different kinds and got no relief. I was almost a total wreck until I commenced using your Per-una. You may publish this statement if it will help any poor sufferer. I was once sick in bed, not able to raise my head. After I heard of your medicine I determined to try it. After taking it a short time I was stronger, and it was not long before I was out of bed, and now I am stronger than ever."
